

Anchors Ahoy!

Summer Trips..sunshine...but not for long!

Sunday May 1 The Lakes

The heat wave at Easter ran on into the beginning of term as we headed for the Lake District and the beautiful Rydal Water, just north of Lake Windermere, for our walk , picnic and fresh air fun before a tour of the souvenir shops in the delightful village of Grasmere

Sunday May 8 Alton Towers

What a stroke of luck !..after the Easter and May Bank Holiday weekends, Alton Towers was very quiet for a Sunday and we took advantage of the incredibly short queues to do all the big rides like Nemesis and squeeze a few of the old favourites like the Runaway Train and the the Tea-cups in...all in one day!

Sunday May 15 'Oh we do like to be beside the seaside!'

The rain came back with a vengeance so Mr Hall (Houseparent weekend off) took the boarders for a cosy afternoon in the cinema –the seaside trip was cancelled

Sunday May 22 Chester

A Riverboat cruise, tour of the Roman walls, Amphitheatre and Cathedral followed by some shopping on the famous 'Rows' and treats in McDonalds..the full spectrum of cultures there ! The weather forecast was poor but the sun shone on us again !

Trips this next half term:

Sunday June 12 - Canoe safari at a local Wetlands Reserve

Sunday June 19 - Chester Zoo

Sunday June 26 - Mr Hall's Mystery Tour !

Sunday July 2 - Isle of Man Trip –Middle School / Year 7 and 8

- Mr and Mrs M's Mystery Tour (Juniors)

..the camping is proving difficult to organize so it might have to be on the ISC lawn one warm Saturday night. We will have a BBQ in the Anchor Wall-Garden , games on the lawn and marsh-mallows round the Cheminee in the garden to finish the night off ..probably laced with some 'camp-fire' ghost stories to spice things up !!

Anchors at play and away!
