Dear Parent,

Enclosed is our 2008 brochure, providing you with Easter and summer camp dates for all of our camps at Rossall School this year.

Unfortunately we have made an error during our printing of the flyers stapled into the brochure. We will only be at the school for one week over Easter, a 4 day camp from Tuesday 25th March until Friday 28th March, please ignore the other Easter dates on there. Our summer dates are all correct as per the literature you have.

The early bird cost of our Easter camp is £85 for the full four days with our summer camps priced at £105 for five days.

Please visit our website (activatesport.co.uk) for more information or give us a call on either of the free phone numbers above.

Kind Regards,

The Activate Sport Team.
