Re: Nursery and Infant School Expansion

Dear Parent

Due to the heavy rain and poor weather conditions we experienced over the summer holiday period, the new extension to the Nursery/Infant School has not progressed towards completion as quickly as we had hoped and will therefore not be open in time for the start of this term.

However, it will only be a matter of a few weeks before it is finished and we will thus expand into the new premises during the half-term break in October.

When the facility is completed, we will be holding an official opening to which you will all be invited.

On another matter we are very interested to improve our overall service and would be interested to know whether you would find a before and after school care service of benefit to you. We are considering opening a Breakfast Club for Nursery, Infant and Junior pupils beginning at 7:45 am to the opening of lessons at 9am. We are also considering expanding our existing after school club, Rascals, which runs until 6pm each weekday during term time to accommodate Junior pupils also.

I would be grateful if you could indicate your preference on the slip below and return to Miss O'Toole in the reply paid envelope provided.

Many Thanks.

Best Regards,

Tim Wilbur
Headmaster

Rossall School Breakfast Club and After School Club Service

Please indicate yes or no to both:

Yes/No I would use the Breakfast Club service

Yes/No I would use the After School Club service

Please return to Miss O'Toole in the reply paid envelope provided by **Friday 14th September 2007**
